

Subject: Parking within the Satellite Condos

General parking is unlimited and allowed for Satellite residents in the outside parking lots at the front and rear of building.

RV parking is also allowed to resident RV owners in the RV lot.

Underground garage parking is limited and is offered with many of the units as part of the sale. Some units do not offer garage units. Residents often offer underground parking stalls for sale for cash, and advertisements can be found in the newsletter and on the bulletin boards within the complex. Prices vary depending on location. We offer garage pricing to our clients upon request. Please call us for more information.
